“49er’s CLASS WILL

We, the class of 1949, having sound minds which keep us on the right track (sometimes) hereby make, publish, and declare (unless some rich uncle leaves us some money) our will and testament.

To the faculty we leave most of the books they gave us at the first of the year and hope they find the rest. We also wish to thank them for the guidance they have shown during the twelve years most of us have attended Haviland-Scott School.

Ruth Kimmey wills her ability to take only three subjects her last year and still graduate to Laura Dene Williamson. (Let’s see now, what subject did she drop?)

Ilo Belle Hofacker wills her big mouth and silly notions to Betty Finnegan. With what Betty already has, the school will be awfully noisy and what ever else you can say for it.

Evaleen Shaw wills her ability to skip classes to Harold Wenninger. (Don’t be afraid, Harold, it’s fun.)

Joan Laukhuf leaves her one-stroke method of cleaning her typewriter to Doyle Breedlove. (Whee, watch the dust fly!)

Iva Lou leaves her ability and like for sports to anyone who is interested in them.

Billy Murphy leaves his ability to blubber balloons in music class to Glen Pease. (Hope you don’t get caught, Glen.)

Patty Groh wills her ability to study hard the last year of school to any one dumb enough to do it.

Leah Williamson wills her ability to argue and prove her answers on Consumer Tests back to the Consumer Teacher. (Wonder who that is?)

Geraldine Rider wills her ability of getting to class meetings on time to Miss Daubert who is always late. (Remember, Miss Daubert, “Time waits for no one.”)

Dale Yoh wills his ability to get out of school to go to peoples’ funerals to Lloyd Lehman.

CLASS PROPHECY

Haviland, Ohio

June 13, 1956

My Dear Aunt Haviscott,

Iva Lou Owens was just here for a short visit. She could only stay a little while, since she is the secretary for her husband's furniture company. Last year she figured her husband's income tax to be \$5,000,000.02. The government returned the two cents, because she had made a slight error. Little Erve has had the colic and chicken sneeze. I'm sure you remember Tootie; she used to be Iva Lou Laukhuf, and they are making out nicely.

Ruth Foust (Kimmey) and Patty Rhoad (Groh) are living in Ft. New York in an apartment house. Patty keeps the children while Ruth works. They both live a simple life: going to the theatre once a week, attending the Women's Society, for all Ambassadors' wives, the Temperance Society, the 75 Bridge Club, and the Sewing Sisters of America.

Oh, yes! I just received a telegram yesterday from Gerry Rider. She has been working and taking voice lessons. Next Tuesday is her opening night on Broadway. I am so happy for her because she has sacrificed so much for her career: three definite proposals and two probables from her stage managers.

I have been cleaning house lately and have neglected going to the store. There is hardly anything to eat in the house. I trade at the Murphy-Murphy Co. store at Scott. He specializes in fancily decorated carrots and carrier pigeons. Bill has taken over the business since his partner went bankrupt back in 1950. He has been so interested in his business that he hasn't had time for marriage, it seems.

Dale Yoh is president of the Scott Equity Exchange, now. Business has been picking up in the last few years. Dale has two little boys, who are the sweetest things. They are being taught trigonometry at the age of four, by Dale. It seems they wrecked his Cadillac last week, so Dale says that some mathematics might help them to figure safe passing distances.

Ilo Belle Hofacker is head nurse of our new Memorial Hospital, which she succeeded in having her fiance finance. He is one of the head doctors and also one of the best in the hospital. The hospital itself covers two acres out in the restricted area of Haviland. Ilo reports that they have lost only one patient, a black cocker spaniel.

Evaleen and Leah rent a house near by. No, Evaleen never married. She proposed twice, the first time being accepted, but her intended had an accident two days before the wedding. Leah has a new position as Mr. Stoller's personal secretary at Haviland Clay Works, Inc. Last year she won state honors in a typing contest, typing 205 words per minute.

Well, Aunt Haviscott, Joan Carter (Laukhuf) is now married, and her husband poses as the thin man at the circus. Their two children now attend the University of Haviland-Scott where Miss Daubert was finally promoted to the professorship.

Bye for now,
All my love,
Your niece, Seniortot

Class History

Yesterday, Freshman; today, Seniors; tomorrow, Alumni—how the time does fly!

When we, the class of forty-nine, started on our four years' journey through high school, we looked forward thinking that Seniorhood looked very far away. Our first year we chose Miss Shawley as our advisor and our enrollment was thirteen. The next three years, Miss Daubert was elected, who proved to be a very capable friend. We've made it, though, losing a few classmates along the way. Here we are, Seniors, with an enrollment of ten. Our officers are: Leah Williamson—President; Evaleen Shaw—Vice President; Dale Yoh—Secretary and Treasurer.

TROPHIES

This year, the "Havilook Staff" has decided to take a picture of some of the trophies which we have received during the years that Haviland-Scott has taken part in athletics. We, as a school, are very proud of the trophies received during the past and present. Each one has its own explanation, so we need not go into their meanings.

The "Parker Team Sportsmanship Trophy" and the 1949 "League Championship Trophy" are not included in this picture, as they were won this year.

THE GAMBLERS

Activities

Basketball

The Haviland-Scott Wildcats worked hard and succeeded in keeping their fame by winning 9 out of 10 league games played. They also exhibited superior playing in non-league games, although they weren't always victorious. The Wildcats were always praised for their calmness and good sportsmanship during each game, whether they won or lost. The team entered the county tournament with high spirits, but was defeated by Antwerp. They came home from the tournament carrying the County League and Parker Team Sportsmanship Trophies.

Class Trip of 1948

The Juniors and Seniors of 1948 chartered a bus to Detroit. Before going aboard the boat, "U. S. S. Greater Detroit", we went on a conducted tour through Ford's plant and saw many sights of interest. Late in the afternoon we went aboard the "U. S. S. Greater Detroit" and sailed for Buffalo. I wonder why Mr. Scarbrough got sea sick? Was it because he ate too many peanuts??? We docked in Buffalo at 9:39 A.M. the following day. Our next tour was of Niagara Falls. This tour took around three hours. We were taken back to the boat by train. Late in the afternoon our boat sailed for Detroit; we docked in Detroit at 11:00 A.M. That afternoon the group divided. Part of the group attended the baseball game between the Detroit Tigers and Washington Senators, and the other group toured Greenfield Village at Dearborn. We arrived home happily, but tired.

Another year, another good band! This year the band consisted of 30 members and was under the direction of Mr. Saurwein, who did his best to help them give good performances.

The band has done a splendid job of playing this year, which was very much appreciated by the audiences that attended the basketball games and concerts. The band also marched at the Paulding County Fair on September 25, and was awarded a trophy. "Keep up the good work, Band."

CONGRATULATIONS SENIORS!

If you see some fellow tryin'
For to make some project go,
An' you can boost it up a trifle,
That's your clue to let him know,
That you're not going to knock it,
Just because it ain't your shout,
But that you're going to boost a little
'Cause he's got the best thing out.
